Additional Information The applicant proposes to relocate the common property line between two parcels in order to accommodate future development or sale of the parcels. The west parcel is vacant and the northeast parcel is being developed with an industrial building. All parcels will meet all minimum lot size requirements after the proposed adjustment.

Agency Comments

The proposed project has been reviewed by the City Utilities Department, the Building Division, and the Public Works - Transportation and Engineering Planning Divisions. The comments received pertaining to the lot line adjustment have been included as conditions in the attached resolution.

Environmental Determination

This project will not have a significant effect on the environment and is exempt from environmental review pursuant to State EIR Guidelines (California Environmental Quality Act, Section 15305(a)).

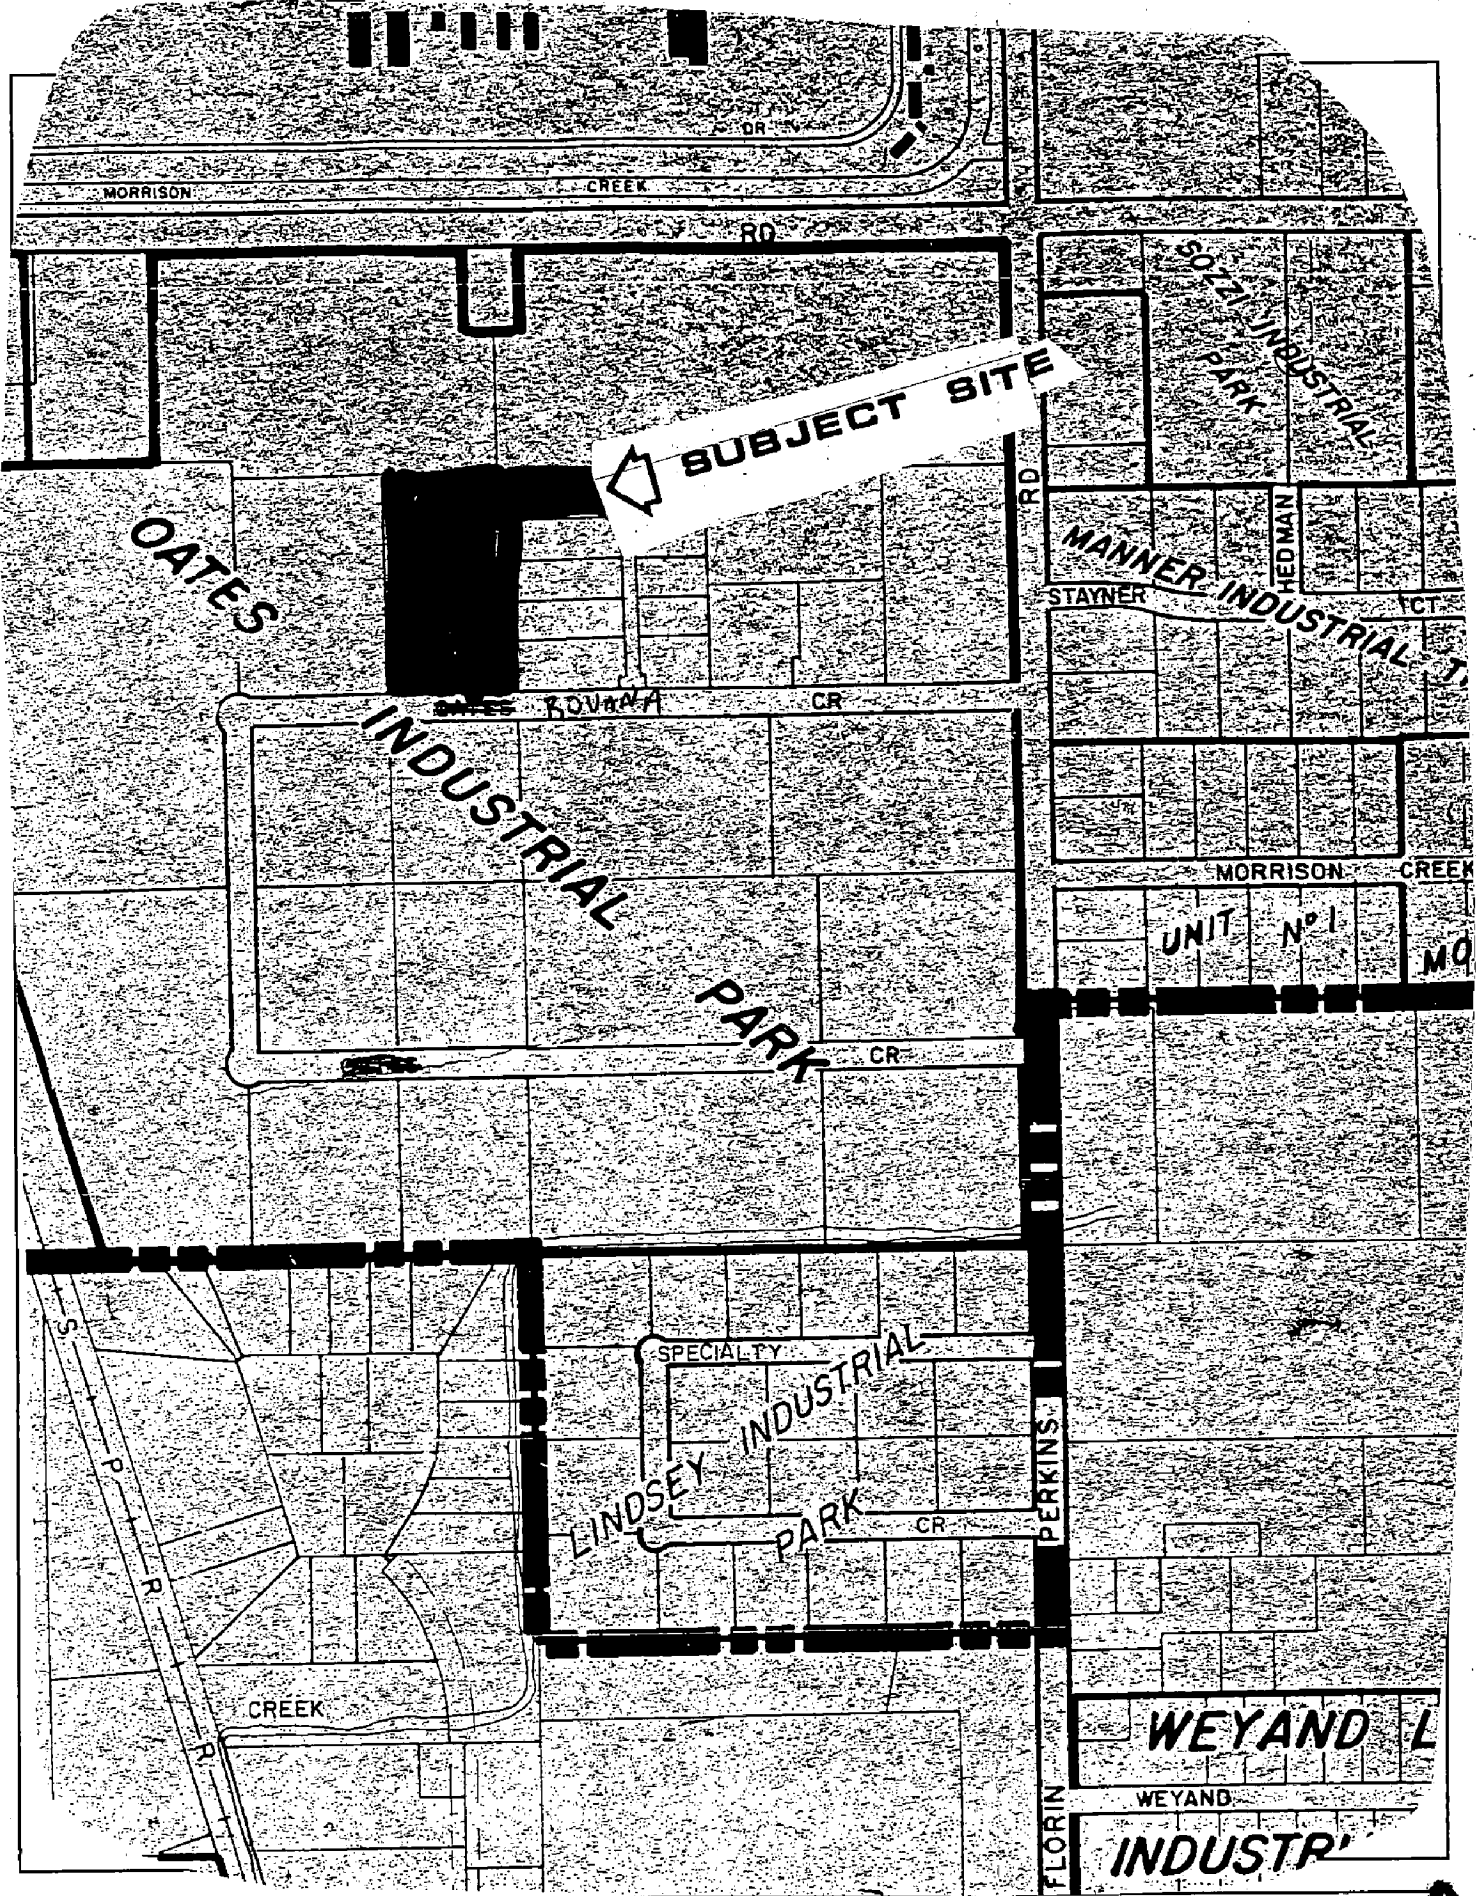

Joy D. Patterson
Zoning Administrator

The decision of the Zoning Administrator may be appealed to the Planning Commission. An appeal must be filed within 10 days of the Zoning Administrator's hearing. If an appeal is not filed, the action of the Zoning Administrator is final.

Note: The applicant will need to contact the Public Works Department (Anwar Ali, 264-7992) after the appeal period is over to record a certificate of compliance to complete the parcel merger.
