Sacramento, California

Honorable Members in Session:

SUBJECT: Exception to Formal Competitive Bidding for the Purchase of  
Various Quantities of Tires and Tubes

The Equipment Maintenance Division has an annual requirement to purchase various quantities of tires and tubes for the on-going maintenance of all City vehicles. Formal bids (Bid No. 316) were solicited from the major tire manufacturers and distributors in the greater Sacramento area; however, no valid bids were received.

Therefore, pursuant to City of Sacramento City Code Section 57.401(a) (no valid bids received) and Section 57.403 (cooperative purchasing agreements), the Purchasing Agent will exercise the option to purchase this requirement from either the "open market" or the State of California "Cooperative Purchasing Program."

Respectfully Submitted,

  
Howard F. Ishida  
Purchasing Agent
