

RESOLUTION NO. 2007-507

Adopted by the Sacramento City Council

July 17, 2007

ADOPTING MASTER SERVICES AGREEMENTS FOR MITIGATED NEGATIVE DECLARATION PREPARATION ON-CALL SERVICES

BACKGROUND

- A. The purpose of the Master Services Agreements is to provide the City with an "On-Call" list of environmental consultants that will provide Mitigated Negative Declaration preparation for development projects. This program eliminates the need to follow a consultant selection process for each individual project. This consultant process streamlines the study/analysis process by pre-qualifying consultants, which would allow staff to be more responsive to the increasing volume of private and other development projects citywide.
- B. Firms were recommended for approval based on the following criteria listed:
- Quality and responsiveness
 - Experience in area of specialties
 - Knowledge of City of Sacramento
 - Availability
 - Approach to working relationships
 - EBE/SBE Certified
- C. The terms of the proposed Agreements are two years from the date of the execution. The City may opt to extend the contract period for an additional one year for a total of three years.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Manager is authorized to execute individual Master Services Agreements for Mitigated Negative Declaration Preparation On-Call Services with Environmental Stewardship and Planning, Incorporated (ESP), Jones and Stokes, RBF Consulting, and Camp Dresser & McKee, Inc. (CDM) for an amount not to exceed amount of \$100,000 per year for each agreement.
- Section 2. The agreements provide for initial terms of two years, with the option to extend for additional one year terms, up to total agreement term of three years (including the initial terms and all extensions). The City Manager may authorize such extensions for the annual not to exceed amount specified.
