Description/Analysis

Issue: Council action is necessary to place a measure before the voters of the jurisdiction.

Policy Considerations: This action is consistent with California Elections Code.

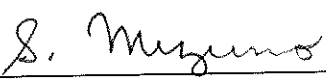

Environmental Considerations: None

Commission/Committee Action: None.

Rationale for Recommendation: On July 29, 2008, the City Council will consider approving a measure adding Chapter 3.26 to the City Code of the City of Sacramento to add the Gang Prevention and Youth Investment Act of the City of Sacramento and to levy a transaction and use tax to be administered by the State Board of Equalization subject to the voters' approval in accordance with Proposition 218. If the City Council sends the measure to the ballot, then as required by California Elections Code, the City Council must adopt a resolution that will place the measure on the November 4, 2008 General Municipal Election ballot.

Financial Considerations: The estimated cost to add an additional citywide contest to the November ballot is approximately \$22,336 per contest.

Emerging Small Business Development (ESBD): Not applicable.
