MINUTES

Joy Patterson, Senior Planner with the Department of Planning and Development, explained to the Committee that the current Zoning Ordinance relating to non-conforming uses, lots, buildings and structures is vague. The proposed Zoning Ordinance amendment clarifies the existing non-conforming use section of the Zoning Ordinance and amends the hearing process for a change in non-conforming use from variance to a special permit process.

After some discussion, the Committee expressed its support for the clarification of the current Zoning Ordinance relating to non-conforming uses. It was **MOVED** by Committee member Kastanis and **SECONDED** by Committee member Fargo to approve staff recommendation and forward the report to Council.

The meeting was adjourned by Chair Serna at 1:55 p.m.
