

RESOLUTION NO. 2019-0017

Adopted by the Sacramento City Council

January 22, 2019

Citywide Innovation and Efficiency Assessment

BACKGROUND

- A. On October 9, 2018 City Council passed Resolution No. 2018-0400 Commitment to Citywide Operational Efficiency and Effectiveness which included a draft scope of services to conduct a Citywide Innovation and Efficiency Assessment and a commitment from the City Auditor to return to Council with recommendations on consulting services and cost for the assessment.
- B. In response to the City Council's request to conduct a Citywide Innovation and Efficiency Assessment, the Office of the City Auditor issued a Request for Proposals (RFP) on October 26, 2018. It is in the best interest of the City to enter into a contract with Management Partners, determined to be the most responsive proposal received in the competitive bidding process, for an amount not-to-exceed \$268,900.
- C. The proposed agreement is for an amount not-to-exceed \$268,900. With the transfer of \$268,900 from General Fund (Fund 1001) Administrative Contingency to the Citywide Innovation and Efficiency Assessment (I01002000) project, there will be sufficient funding to cover the agreement.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Council finds that the statements in the Background are true.
- Section 2. The City Auditor is authorized to execute a Professional Services Agreement with Management Partners for an amount not-to-exceed \$268,900 to conduct a Citywide Innovation and Efficiency Assessment.
- Section 3. The City Manager or City Manager's designee is authorized to establish a multi-year operating project (MYOP) for the Citywide Innovation and Efficiency Assessment (I01002000) project.
- Section 4. The City Manager or City Manager's designee is authorized to establish and expenditure budget in I01002000 with a transfer of \$268,900 from General Fund (Fund 1001) Administrative Contingency.

Section 5. The City Manager or City Manager's designee is authorized to replenish the General Fund Administrative Contingency with available FY2017/18 resources by \$268,900.
