RE: Subdivide request #P82226

GREETINGS:

This letter is an official request on our part that you continue our request for a Subdivide from tonight, Nov 23, to Dec 14, 1982.

The reason for the request is that there has arisen some question on our part about one of the contingencies that City Planning has placed upon us. In checking that area of question with Planning today, we find that we must file for another Subdivide Modification to make the subdivide proceed properly.

We will pursue that matter and be prepared to meet on the Dec 14th. Thank you for your consideration in this matter.

RESPECTFULLY,

George Heath

GEORGE HEATH, President
