

RESOLUTION NO. 2019-0088

Adopted by the Sacramento City Council

March 26, 2019

Contract Award and Budgetary Adjustments - Rio Linda Boulevard Bridge Replacement and Main Avenue Realignment Project (T15095200)

BACKGROUND

- A. The Rio Linda Boulevard Bridge Replacement and Main Avenue Realignment Project (T15095200) will replace the existing structurally deficient bridge over Magpie Creek and the creek will be realigned to the south. The Rio Linda Boulevard/Main Avenue intersection will be widened to accommodate turn pockets and Main Avenue will be realigned to intersect perpendicular to Rio Linda Boulevard. The improvements will include an expanded signalized intersection with left and right turn pockets and Class II bike lanes providing safety benefits and improved operations.
- B. A consultant selection process for construction management services was completed. A Request for Proposals (RFP) for construction management services was advertised on July 25, 2018. Three firms responded to the RFP and a selection panel reviewed the proposals. Two consultant teams were shortlisted and HDR Construction Controls Inc. was ultimately selected as the top ranked team. Staff recommends that a Professional Services Agreement be executed with HDR Construction Controls Inc. for construction management, inspection, labor compliance, materials testing, and construction staking services.
- C. The construction contract for the project was advertised in December 2018 and bids opened on January 9, 2019. Four construction bids were received:

Contractor	Bid	DBE (10% Min)	Responsive
Robert A. Bothman Inc.	\$6,251,910.00	11.0%	No
Viking Construction Company, Inc.	\$6,336,033.80	13.1%	Yes
McGuire & Hester	\$6,496,570.00	1.0%	No
MCM Construction, Inc.	\$7,691,189.00	6.0%	Yes

The Engineer's Estimate was \$5,484,125 and after thorough review of the bid documents submitted it was determined that two of the four bidders met the bid requirements to be deemed responsive. Staff recommends that the construction contract be awarded to the lowest responsive bidder, Viking Construction Inc.

D. The City received Caltrans authorization of construction funding on September 14, 2018 and the project can now appropriate additional \$6,876,126 in federal construction funding and award of the construction contract in early 2019. A corresponding transfer of local funding is required to meet funding match requirements and pay for non-participating construction items.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The Plans and Specifications for the Rio Linda Boulevard Bridge Replacement and Main Avenue Realignment Project (T15095200) are approved.
- Section 2. The City Manager or the City Manager's designee is authorized to increase the revenue and expense budgets in the Rio Linda Boulevard Bridge Replacement and Main Avenue Realignment Project (T15095200) by \$6,876,126 (Federal Capital Grants, Fund 3703) in federal Highway Bridge Program funding.
- Section 3. The City Manager or the City Manager's designee is authorized to transfer \$1,169,464 (Major Street Construction, Fund 2007) from the expense budget in the State and Federal Grant Match Program (T15007200) to the expense budget in the Rio Linda Boulevard Bridge Replacement and Main Avenue Realignment Project (T15095200).
- Section 4. The City Manager or the City Manager's designee is authorized to transfer \$400,000 from the available fund balance of the Major Street Construction Fund (Fund 2007) to the Rio Linda Boulevard Bridge Replacement and Main Avenue Realignment Project (T15095200).
- Section 5. The construction contract for the Rio Linda Boulevard Bridge Replacement and Main Avenue Realignment Project (T15095200) is awarded to Viking Construction Inc. for an amount not to exceed \$6,336,034.
- Section 6. The City Manager or the City Manager's designee is authorized to execute the construction contract for the Rio Linda Boulevard Bridge Replacement and Main Avenue Realignment Project (T15095200) with Viking Construction Company Inc. for an amount not to exceed \$6,336,034.
- Section 7. The City Manager or the City Manager's designee is authorized to execute a Professional Services Agreement with HDR Construction Controls Inc. to provide construction management, inspection, materials testing, labor compliance, and construction staking for the Rio Linda Boulevard Bridge Replacement and Main Avenue Realignment Project (T15095200) for an amount not to exceed \$1,245,820.

Section 8. The City Manager's administrative authority for the fund balance of the Major Street Construction Fund (Fund 2007) is reset.

Adopted by the City of Sacramento City Council on March 26, 2019, by the following vote:

Ayes: Members Carr, Guerra, Hansen, Harris, Jennings, Schenirer, Warren and Mayor Steinberg

Noes: None

Abstain: None

Absent: Member Ashby

Attest: Wendy Klock-Johnson, MMC
