

RESOLUTION NO. 2007-179

Adopted by the Sacramento City Council

March 27, 2007

DETERMINING PROJECT EXEMPT FROM REVIEW UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (P06-129)

BACKGROUND

- A. The City of Sacramento's Environmental Planning Services has reviewed the 48th Street Villas (P06-129) ("Project") and has determined the Project is exempt from review under the California Environmental Quality Act (CEQA) as follows:
1. The Project is exempt under the following provisions of the California Environmental Quality Act and/or Guidelines: Section 15303, New Construction or Conversion of Small Structures; and Section 15332, Infill Development Projects.
 2. The factual basis for the finding of exemption is as follows: The project is located on an urbanized, proposed residential zone and does not exceed three single-family residences. The project is consistent with the applicable General Plan designation and all applicable General Plan policies as well as with applicable zoning designation and regulations. The proposed development occurs within city limits on a project site of less than five acres substantially surrounded by urban uses. The project site has no value as habitat for endangered, rare or threatened species. Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality. Finally, the site can be adequately served by all required utilities and public services.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1.** The City Council has reviewed and considered the Environmental Planning Services determination of exemption and the comments received at the hearing on the Project and determines that the Project is exempt from review under the California Environmental Quality Act for the reasons stated above.
