SUBJECT: Upcoming North Natomas Community Plan Briefing
Session #4 Regional Transit Staff Presentation

SUMMARY

At the City Council's request, City staff began a series of North Natomas briefing sessions with the Joint Committees in October 1990. A presentation will be made by Regional Transit staff on March 5th concerning transit facilities and service planning. These informational sessions are nearing a conclusion and the next step begins which is to discuss whether Plan Amendments are needed, and if so in what areas. Staff's anticipated timetable for future sessions is outlined in the background section of this report.

BACKGROUND

- Session 1: Overview of the North Natomas Community Plan Goals and Policies; overview of the settlement agreement and status report on current conditions including pending applications for development (completed October 9, 1990)
- Session 2: Review of environmental conditions and issues and review of infrastructure/community facilities development (completed October 16, 1990)
- Session 3: Presentation of Sacramento County's new draft General Plan and its possible affect on North Natomas (completed November 13, 1990)
- Session 4: Presentation by Regional Transit staff on transit facilities and service planning in North Natomas (scheduled for March 5, 1991)
- Session 5: Presentation by Public Works on a recommended financing plan (tentatively scheduled for March 12, 1991)
- Session 6: Discussion of potential study areas for Plan Amendments, a preliminary list will be prepared by staff (scheduled for late March, 1991)
