**Background Information:**

California Statutes Chapter 783, Statutes of 1995 and Chapter 749, Statutes of 1996 were enacted to help avoid a repeat of the December 1994 Orange County investment fiasco which resulted in investment losses exceeding \$1.7 billion for Orange County and other local government entities. These statutes made revisions to certain state laws that addressed the investing of public funds, including, among other things, the requirement of reporting investment activity on a periodic basis. Government Code section 53607 requires monthly reports to the City Council. Commencing March, 1997, the City Treasurer, as the person vested with authority to invest City funds, has rendered monthly transaction reports to the City Council and this staff report accompanies the latest of such reports. This practice is consistent with prior City Council principles regarding investment authority that emphasizes full disclosure and prompt reporting of investment policy, strategies, programs and actual investments as reflected in Resolution 95-108.

For informational purposes, the City Treasurer also reports on transactions of other funds invested by the Treasurer's Office in addition to the City's funds. The transactions for the month ended October 31, 2010 are attached as follows:
