Honorable Mayor and  
Members of the City Council

**Title: Northside Subdivision Maintenance District – Annual Report**

**Location/Council District:** Main Avenue between Rio Linda Boulevard and Marysville Boulevard, in Council District 2 (Exhibit A, page 6).

**Recommendation:** 1) Adopt a **Resolution** adopting the Northside Subdivision Maintenance District Annual Budget and levy assessment for FY 2007/08; and 2) adopt a **Resolution** amending the FY 2007/08 City Budget for the Northside Subdivision Maintenance District.

**Contact:** Steven Sakakihara, Administrative Technician, (916) 808-8970; Ron Wicky, Program Specialist, (916) 808-5628

**Presenters:** Not Applicable

**Department:** Planning Department

**Division:** Public Improvement Financing

**Organization No:** 4915

### **Description/Analysis**

**Issue:** The existing district is required by the Sacramento City Code to present to City Council an annual budget for approval. Approval of the district's annual budget will authorize the City to collect assessments in the amount sufficient to provide funding for maintenance of the wetlands and the landscaped areas adjacent to the subdivision in this district for FY2007-08.

**Policy Considerations:** The annual proceedings for this district are being processed as set forth in section 3.124.190 of the Sacramento City Code. This process is consistent with the City's Strategic Plan 3-Year Goal to "achieve sustainability and enhance livability".

**Environmental Considerations:** Under California Environmental Quality Act (CEQA) guidelines, annual proceedings of a Special District do not constitute a project, and are therefore exempt from review.

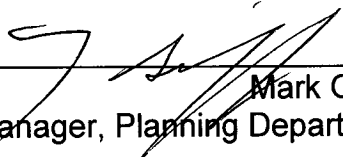

**Commission/Committee Action:** None.

**Rationale for Recommendation:** The actions in the recommended Resolutions are required by the Sacramento City Codes, as set forth in Section 3.124.190, for annual proceedings of an existing district.

**Financial Considerations:** There will be no cost to the City or the General Fund. The cost of maintenance for the Northside Subdivision Wetlands Mitigation Program, together with the landscaped area along Marysville Boulevard, will be funded through the maintenance district.

The total amount assessed to the property owners for the Northside Subdivision Maintenance District for FY 2007/08 is projected at \$5,152 with an assessment of \$46 per single-family home as shown on Exhibit B, page 10, and detailed in the Engineers Report on file with the City Clerk. This assessment is well below the maximum authorized assessment of \$191.25 per single-family home.

**Emerging Small Business Development (ESBD):** City Council approval of these proceedings is not affected by City policy related to the ESBD Program.

Army Corps of Engineers' permit issued to the developer of Northside Subdivision on June 20, 1990. Activities include cleaning of the sand and grease trap separator for the storm drain system, disposal of the contents and mowing and litter pick up. The district also funds maintenance activities for the landscaped area adjacent to Marysville Boulevard.
