Board Member's Comments, Questions, Ideas, and Announcements

Fritz stated that he will be unavailable for the May hearing.

Fritz would like to be notified if a replacement is found for his seat on the board so that he may determine if it is necessary for him to take the FPPC training in April.

McKinley advised that an application was submitted for the vacant seat on the board. The board secretary will follow up on the application.

Attorney Wang stated that in regard to public comments on cases, the board does have the discretion to advise the person who wishes to comment that they are a member of the public, they are not a party to the action, they are not a witness to the case and the board does not consider their evidence or testimony relevant. Since this is a public proceeding you do have the right to comment but comments can be heard at the end of the calendar. Wang confirmed that the board has the right to exclude truly irrelevant evidence. The board may cut off the speaker and advise that they have had their opportunity to speak.
