6 7.08.2	City of Sacramento Development Fee Deferral Program	Development Services / Janis Franklin	2-Sep-08	Fees imposed on development can pose a substantial financial burden on many projects, especially if developers must pay the fees up front, when building permits are issued. To help stimulate commercial and residential development, the City of Sacramento offers fee-financing and fee-deferral programs for development projects that meet certain criteria. Slated for adoption in fall 2008, the fee-deferral program will allow a developer to defer payment fees of City controlled fees, until the City issues a certificate of occupancy for the project or at close of escrow, depending on the option selected by the developer and approved by the City Manager or designee. The residential and commercial fee-deferral programs will be available until June 30, 2009.	TBD	TBD	TBD
