BACKGROUND INFORMATION

Each contract was awarded by the City Council from competitive bids received and each contained a provision allowing a one year extension, either at the same terms and conditions or at a specified percentage increase, if mutually agreeable to both parties. Each contractor has

performed in a satisfactory manner during the past year and an informal sampling confirms that the existing prices are as low or lower than any prices that would be available through any re-bidding process.

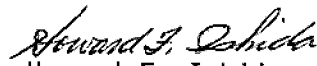

FINANCIAL DATA

The estimated cost for each contract during the 1981/82 fiscal year has been included in the various departmental budget requests.

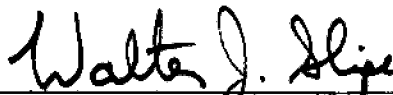

RECOMMENDATION

It is recommended that the City Council approve the extension of the existing contracts listed above from July 1, 1981 through June 30, 1982.

Respectfully Submitted,

Howard F. Ishida
Purchasing Agent
