- The annexed street will be regulated with a one hour parking time limit.
- Residents and their guests will be exempt from the parking time limit when the proper permit is displayed.

FINANCIAL CONSIDERATIONS:

The cost to implement the recommended parking regulation is estimated to be \$200 for the installation of regulatory signs. Funds are available in the Street Division, Traffic Signs and Markings operating budget.

ENVIRONMENTAL CONSIDERATIONS:

The Neighborhoods, Planning and Development Services Department, Office of Environmental Affairs has reviewed the project and determined that this project is exempt from the requirements of the California Environmental Quality Act (CEQA) under Section 15301(c) the CEQA guidelines. This project involves the operation of existing streets and will not involve physical construction activity affecting any physical resources or expanding the use of City streets.
