Budget and Finance Committee
Sacramento, California

Honorable Members In Session:

SUBJECT: Morey Terrace Street Abandonment (CC:1453) - Project Approval
and Fund Appropriation

SUMMARY

Plans and specifications for this project have been prepared. Funding is required and project approval is recommended.

BACKGROUND

On February 25, 1986 the City Council approved the abandonment of the streets within Morey Terrace at the request of the Police Department. One of the conditions of the abandonment is to close Modell Way at the north side of Morey Avenue to public traffic. This will be accomplished through construction of a driveway opening at the entrance of Modell Way and necessary revisions to the street lighting system. Funding is required to accomplish the subject work.

FINANCIAL

The City Council has not appropriated any funds for this project, which is estimated to cost \$20,000.

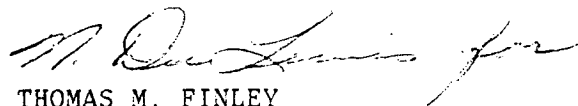

Because of the nature of this project and its origins, it is recommended that the project funds be appropriated from the General Fund Contingency Fund.
