R. H. PARKER
CITY ENGINEER
J. F. VAROZZA
ASSISTANT CITY ENGINEER

October 30, 1980

City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Recommendation of Bid Award for ELDRIDGE AVENUE BRIDGE REPLACEMENT

SUMMARY:

The subject project, as a part of the City's Capital Improvement Program has been advertised for bids. Bids have been received and the City Engineer hereby recommends bid award.

BACKGROUND:

On October 7, 1980, the City Council approved plans and specifications for the subject project and bids were received and opened by the City Clerk in the Council Chambers on October 28, 1980. Bids received are as follows:

Teichert Construction	\$36,263.00
Granite Construction Co.	39,510.00

The Engineer's construction estimate for this project is \$22,165.00. Although the low bid of Teichert Construction exceeds the engineer's estimate, we feel it is the best bid obtainable. The primary cause for the high bids appears to be the large overhead associated with a relatively small construction job.

FINANCIAL:

Funds in the amount of \$44,263.00 are available in the City Engineer's Budget from Miscellaneous Drainage Bond funds.

RECOMMENDATION:

The City Engineer recommends that the low bid of Teichert Construction in the amount of \$36,263.00 be accepted.

APPROVED
BY THE CITY COUNCIL

Respectfully submitted,

Recommendation Approved:
