Organization No: 4915

Description/Analysis

Issue: The existing district is required by the Property and Business Improvement District Area Law of 1994 to present before City Council an annual budget for approval. Approval of the district's annual budget will authorize the City to collect assessments in the amount sufficient to provide funding for economic development, security services, maintenance services, and image enhancement within the Power Inn industrial corridor for FY2007-08.

Policy Considerations: The annual proceedings for this district are being processed as set forth in section 36600 of the California Streets and Highways Code, entitled "Property and Business Improvement District Law of 1994." This process is consistent with the City's Strategic Plan 3 Year Goal to "achieve sustainability and enhance livability" and to "expand economic development throughout the City."

Environmental Considerations: Under the California Environmental Quality Act (CEQA) guidelines, annual proceedings of a Special District do not constitute a project, and are therefore exempt from review.

Committee/Commission Action: None

Rationale for Recommendation: The actions in the recommended Resolutions are required by the California Streets and Highways Code, which is codified as part 7 (beginning with section 36600) of division 18.

Financial Considerations: Financing will be provided by levy of assessments upon real property that benefits from improvements and activities. The PBID does not plan to issue bonds.

The PBID assessment budget for FY 2007/08 is \$241,500 (Details on Exhibit “B”, page 11). The Power Inn Area PBID will receive an approximate total of \$237,087. The remaining \$4,413 will be retained by the City to cover City administration cost.

Program	Budget	% of Total
Advocacy & Communications	\$68,250	28%
Security Coordination	31,500	13%
Economic Development & Marketing	42,000	17%
Maintenance / Beautification	89,250	37%
Contingency / PBID Renewal	10,500	5%
Total	\$241,500	100%

The annual costs to the property owners will be based on a per acre cost. The assessment rates proposed for FY 07/08 will not increase from the previous fiscal year set at \$175 per acre of land for Zone 1 and \$100 per acre of a land for Zone 2. All religious and tax-exempt properties will be assessed at a 50% rate for either Zone.

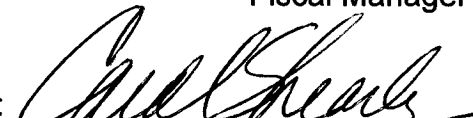

Emerging Small Business Development (ESBD): City Council approval of these proceedings is not affected by City policy related to the ESBD Program.
