SUBJECT: Grant Application for Travelling Exhibition of Historic Photography

SUMMARY

This report recommends the adoption of a resolution authorizing the City Manager to submit a grant application to the National Endowment for the Arts.

BACKGROUND INFORMATION

The Museum and History Division was awarded \$15,000 from the National Endowment for the Arts to conduct a historic photography survey of the Sacramento Valley. An additional \$20,818 was obtained through private contributions. On October 7, 1980, the City Council augmented the City's budget (Community Services, Museum and History Division) by \$35,818 so that the survey project could begin (Resolution No. 80-647). The grant project ends June 30, 1981.

The Division would like to submit an application to the National Endowment for the Arts to fund a travelling photography exhibit featuring the results of this survey. The proposed exhibition will culminate a major aspect of the Sacramento Valley Photography Survey 1850-1950 now being sponsored by the Museum and History Division. The survey has uncovered a wealth of photography by David Joslyn, the McCurry Company, and Harry and Delsie Sackrider, photographers who worked in commercial studies in the Valley from 1900-1940.

FINANCIAL DATA

The grant application requests \$10,000 from the National Endowment for the Arts; subsequent applications to other foundations and businesses will be made to match this amount. No City/County funds will be used or requested for this project. The Museum and History Division will sponsor the exhibit by lending professional assistance to the person commissioned for the photographic exhibit. The Division will be the recipient of the exhibition upon the termination of circulation.
