Honorable Members in Session:

SUBJECT: Additional Parking Regulations in the Vicinity of Tahoe Park
(Repeal Resolution 81-591 and Adopt a New Parking Resolution)

SUMMARY

It has been found that additional parking regulations are needed on 8th Avenue and 61st Street to facilitate traffic circulation and police control in the vicinity of Tahoe Park on Saturday and Sunday evenings.

BACKGROUND INFORMATION

On July 28, 1981, the City Council approved parking prohibitions after 6:00 p.m., on Saturday and Sunday evenings on 8th Avenue between 60th and 62nd Streets and on 11th Avenue between David Way and 62nd Street. The regulations on 11th Avenue are working satisfactorily but it has been found that they need to be extended on 8th Avenue. It has also been found that additional regulations are needed on two short sections of 61st Street on the approaches to 8th and 11th Avenues.

FINANCIAL DATA

The cost of the ten signs will be absorbed in general Traffic Engineering operations.

RECOMMENDATION

It is recommended that consideration be given to adopting the attached resolution.

Respectfully submitted,

L. M. Frink
Traffic Engineer
