May 30, 2000

BACKGROUND INFORMATION:

- The Sutter Hospital residential permit area was established in May 1979.
- Parking congestion is increasing on some streets adjacent to the permit parking area and residents are having difficulty parking near their homes.
- Residents along a portion of 48th Street submitted a petition requesting to be annexed into the residential permit parking area.
- The annexed street will be regulated with two-hour parking time limits.
- Residents and their guests will be exempt from the parking time limits when the proper permit is displayed.
- A letter was sent to all of the residents and businesses, that may be impacted by the parking regulation, which outlined the request and solicited comments.
- Return cards were received from forty-four of the seventy-one households (61%). A majority (75%) favored the proposed permit parking regulations.

FINANCIAL CONSIDERATIONS:

The cost to implement the recommended parking regulation is estimated to be \$800 for the installation of regulatory signs. Funds are available in the On-Street Parking & Animal Care Services operating budget.
