City Council
Sacramento, California

Honorable Members In Session:

SUBJECT: Installation of Pre-fabricated Restroom Building at Stanford Park
(PN:LB61) - Project Approval and Bid Advertisement

SUMMARY

Plans and specifications for this project have been prepared. Approval of the plans and specifications and authorization to advertise for bids is recommended.

BACKGROUND

The existing restroom building at Stanford Park has deteriorated to the point that it is nearly unusable. This project will install a pre-fabricated building, which will be of service to the park users.

A Categorical Exemption for this project was filed with the County Clerk of the County of Sacramento on December 5, 1986. The engineer's estimated construction cost is \$61,000.

FINANCIAL

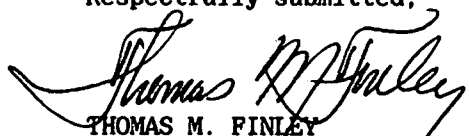

Sufficient funds are available for this project. The estimated total project cost, including all planning, design and construction costs, is \$73,000. The current budget is \$133,000 of which \$73,000 is available for this project, and was approved in the Capital Improvement Program from the Sutter Park Sites Fund.

RECOMMENDATION

It is recommended that the City Council approve the plans and specifications for this project and authorize the City Clerk to advertise for bids to be received on March 24, 1987.

Respectfully submitted,

THOMAS M. FINLEY
Engineering Division Manager
