BACKGROUND

- A. On December 2, 2003, the City Council approved the Smith Culp Consultant Study recommendations (Resolution 2003-853) to improve the delivery of projects. One of the recommendations was to establish an on-call contractor list for cost effective and efficient delivery of contractor services.
- B. On March 12, 2007, the Department of General Services posted a request for bids (<http://www.cityofsacramento.org/finance/bids>) for on-call contractor services for public facilities projects. On March 30, 2007, eleven companies submitted bid proposals. Three bids were deemed non-responsive and rejected. A total of eight companies are being placed on the On Call Master Contractor list, all of which met or exceeded the City's 20% ESBD goal.
- C. It is estimated that this process will address 90 percent of the projects requiring

contractor services scheduled to be delivered by the Department of General Services.

- D. Use of an on-call contractor services list will position the Department of General Services to deliver projects in a more cost effective and efficient manner by expanding its capacity to meet critical project schedule requirements and by reducing the time needed to prepare, evaluate, and award contracts for each and every project. Additionally, unforeseeable conditions identified during the course of projects may be addressed immediately.
- E. Contracts for specific projects that exceed the dollar limits as established for the On-Call Master Contractor Services List, as described will be procured separately in compliance with the City Code and adopted policies.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. An On-Call Master Contractor Services List for Public Facilities (Exhibit A) for FY2007/08 with three one-year renewal periods (FY2008/09, FY2009/10 and FY2010/11) is approved. However, purchase orders encumbering funds under these contracts will not be opened until projects are identified and the City's FY2007/08 budget has been approved.
- Section 2. The City Manager or his designee is authorized to execute contracts for Heating, Ventilation and Air Conditioning (HVAC) – Small Tonnage services with Mielcasz & Associates in an amount not to exceed \$50,000 per contract, per service provided for FY2007/08.
