Personnel and Public Employees Committee  
Sacramento, California

Honorable Members in Session:

**SUBJECT: AFFIRMATIVE ACTION PROGRAM REVIEW - DEPARTMENT OF PUBLIC WORKS  
AND DEPARTMENT OF GENERAL SERVICES**

The Personnel and Public Employees Committee has requested special hearings on the affirmative action program, specifically focusing on department employment practices. The first hearing, held on July 3, 1985, covered the Planning & Development and Library Departments. At the August 21, 1985 meeting the Committee covered the City Clerk's Office. After reviewing this Office the Committee decided to hear only the larger departments such as Public Works, General Services, Parks and Community Services, Police and Fire.

The following information provides the Committee with employment statistics on the full-time career workforce in the Departments of Public Works and General Services. Part-time employees, non-career employees and individuals employed in limited-term positions are not counted toward the affirmative action goals.

### PUBLIC WORKS

The Department of Public Works is presently composed of seven major divisions: Administration, Streets, Engineering, Solid Waste, Parking, Animal Control and Water & Sewer. According to a September 26, 1985 Employment Statistics Report, the Department has 654 career employees of which 282 (43.11%) are minorities and 68 (10.39%) are females. The department is at parity in minority employment and under parity in female employment (parity = 37.72% minority and 42.00% female).

The following is a breakdown of the September 26, 1985 Department of Public Works employment statistics in comparison with the October 1980 figures.
