1/ Per Board Resolution # 86-007, dated 6/23/86, Real Estate Equity can be leveraged up to 50% of the System's Portfolio and up to 75% of the purchase price of a particular property. The Discovery Plaza Property purchased for \$10 million was leveraged with a \$6 million 9.875% note dated 2/24/87 payable to the Travelers Insurance Company. Annual interest expense on this loan is \$592,500.

2/ The estimated annual income represents only interest and dividends, and does not include Capital Gains, Administrative Expenses and Debt Service. The Capital Gains for the prior fiscal year 1989/90 was \$8.5 million. Administrative Expenses for this same period were \$119,000 for Banking and Trustee Fees, \$748,000 for Investment Manager Fees, \$592,500 for Interest Expense on Note Payable (Discovery Plaza), and \$1,008,000 for Real Estate Maintenance and Repair Expenses. Although we are unable to estimate Capital Gains for Fiscal Year 1990/91, we anticipate that the other expenses should remain fairly constant. These additional income and expense items should be considered in determining the funds total performance.
