Type Name if Returning Via E-mail or Print, Sign and Mail

DISCLOSURE AND REGULATORY REQUIREMENTS

City Code Section 2.40.060: Conflict of Interest Disclosure - If a Statement of Economic Interests Form 700 is required for this position (see announcement), the form must be filed with the Office of the City Clerk prior to beginning service. The City Clerk will provide appointees with the filing form and instructions. Official status to serve will be delayed until the form is filed with the Office of the City Clerk.

City Code Section 2.40.010: Attendance - Board/commission members are required to attend meetings on a regular basis, and may be removed if a member does not attend three consecutive regularly scheduled meetings. If appointed, will you be able to attend meetings regularly and devote the time necessary to fulfill your duties as a member? Yes No

City Resolution 2007-653: Mandatory Ethics Training - Board/commission members are required to satisfy the local ethics training requirement mandated by Government Code Sections 53234 et seq. and may be removed if proof of attendance is not filed with the Office of the City Clerk within 60 days of appointment. Appointees will be provided with an on-line training resource. If appointed, will you be able to complete the training within 60 days? Yes No

ACCOMMODATION INFORMATION

PLEASE IDENTIFY ANY SPECIALIZED ACCOMMODATIONS NEEDED FOR EQUAL PARTICIPATION:

Darlene Anderson
Candelwood Way
Sacramento CA. 95822

I have served a Commissioner for the City of Sacramento for the past two years helping to make to ensure that the disabled community had a voice at the table when the city makes decision. It is important to have the community present in the decision making process and I hope to serve as a commissioner for another term.

As a volunteer for The Corporation for National Service; I served as a VISTA, in the capacity as a Resident Services Coordinator, and Community Organizer for Rural California Housing. Working with residents to promote self sufficiency, Mercy Housing's Resident Services include: After-School and Summer Programs for Children GED and English Courses Financial Education Programs Health Classes Health Care Services for seniors. The organization is committed to building grassroots leadership and empowering participants in its self-help housing, multifamily housing, housing rehabilitation and community development programs. I worked with residents to support them in understand the importance of becoming involved in their community.

My second year of Community Service, I served as Youth Development Services Coordinator for Mercy Housing. These two positions were developed to promote civic engagement with a partnership with the federal government and the non profit agency to promote community development. As, Mercy Housing's Resident Services coordinator the integral part of the mission was through individual leadership training and workshops, resident help to create neighborhood association and neighborhood watch groups. These services include after-school and summer programs for children, financial education classes for adults and health care services for seniors. They provide our residents with opportunities, tools and resources to help them to stabilize their lives, develop economic self-sufficiency and become active participants in their communities. As the Coordinator Youth Development for Mercy housing, I worked to implement the after school program here in Sacramento working with community partners for acquiring computers and tutors with a partnership with Sacramento State College and the America Reads programs that allows students to volunteer to work in the after school program.

In the past I representative of California Association of Compensatory Education, and organization of which has hundreds of volunteers that organizes and host conferences for parents in local school districts. To provide and opportunity to participate in site based decision making for that local school to prepare all students with a quality education. As a resident of the State of California in the early 80's Californian's voted that they would have local governing board and the governing board representatives to insure that locally all children would have access to a quality education. Over time our local schools have faded away from parent involvement in the decision making process of crucial planning for the single plan for student achievement. Governing Board members must be aliened with Federal Policies and guidance from the United States of America Department of Education. As I see it's critical for citizens to except responsibility of their civic responsibility to participate in our democratic process. Without continued civic involvement and the promotions all Americans we risk loosing our personal freedoms.

I served as a Board member of the California Alliance for School and Families and Community Partnerships, under West Ed, as am member of the Alliance is planning opportunities for the development of Community and Families to participate in local school district in the State of California. This board position gives me the opportunity to represent the voice of hundreds of CACE members in California. The California Association of Compensatory Education has many members in the State Of California, this is the one organization that still has out reach to parents and teachers and community's members that volunteer in the public educational school system. CACE is a vital link that must remain strong in order to build leadership capacity for the public education system. As a strong advocate for the public education system, I personally believe that it allows me opportunity to bring the voices of many parents and concerned citizens to the table.

I am a single parent and I have three children two which college, and one in high school. I have Fibromyalgia and arthritis so I have not worked since 1996 but I became very involved in the public school system supporting my children through graduation. Through this process I found

that it is critical that citizens participate in the public oversight of community services. I am involved in community partnership such as the Justice Reform Coalition where I serve as the Education Chair support local communities in oversight for the local school system.
