

RESOLUTION No. 2149
RESOLUTION PRESCRIBING BONDS

Adopted by The Sacramento City Council on date of
January 5, 1928.

WHEREAS, the Superintendent of Streets did heretofore make and issue an Assessment to represent the cost of the improvement, under the provisions of Resolution of Intention No. 2149, of that portion of 65th Street lying west of the center line thereof, from a point 12 feet southerly from the center line of Folsom Boulevard to the center line of 14th Avenue; 61st Street, from the manhole in place on 5th Avenue to a point 8 feet south of the center line of 2nd Avenue; and 2nd Avenue, from the easterly line of 61st Street to the westerly line of 65th Street,

as more particularly described in said Resolution of Intention; and thereafter did, on the 29th day of December, 1927, file in the office of the City Clerk a list of the assessments remaining unpaid on the Assessment for said improvement; and

WHEREAS, the City Clerk has fixed the 5th day of January, 1928, as the time when interested persons might appear before the City Council and show cause why bonds should not be issued upon the security of the said unpaid assessments, and has given notice, by posting and by publication, in the manner required by law, of the filing of said list, and of the time so fixed; and

WHEREAS, no cause has been shown why such bonds should not be issued;

THEREFORE, BE IT RESOLVED, that the City Council of the City of Sacramento hereby determines the aggregate amount of the assessments issued to pay for the cost of the improvement aforesaid now remaining unpaid to be **FIFTEEN THOUSAND, EIGHT HUNDRED FIFTY-FOUR AND 66/100 (\$15,854.66)** DOLLARS, and further, that bonds for such amount be issued pursuant to the provisions of the "Improvement Bond Act of 1915." Said bonds shall be dated January 5, 1928; and they shall be issued in annual series, each series representing an even annual proportion of the aggregate principal sum thereof; the first series of said bonds shall mature and become payable on the second day of July next succeeding the first ten months after their date, and the other series of said bonds shall mature and become payable, one thereof, on the second day of July every year succeeding the date of the maturity of said first series until the maturity of the last series thereof, which shall be nine years from the second day of July next succeeding ten months from their date.

Attached to said bonds shall be coupons representing interest upon the principal thereof at the rate of seven (7%) per cent per annum from the date of the filing of said list of unpaid assessments. Said coupons shall be payable semi-annually, to-wit: on the second day of January and July in each year, during the term of said bonds; provided, that the first of said coupons shall be for the interest to the second day of January last preceding the date of the maturity of the first series of
