

RESOLUTION NO. 2019-0238

Adopted by the Sacramento City Council

June 11, 2019

Budgetary Adjustment for the Meadowview Road Complete Streets Project (T15145500)

BACKGROUND

- A. The Meadowview Complete Road Street Project (T15145500) includes the first two phases of a larger project on Meadowview Road that begins just east of Freeport Boulevard to the Meadowview Light Rail Station and on 24th Street from Meadowview Road north to Florin Road. The first two phases begin just west of the 24th Street intersection to the Sacramento Regional Transit station at the Detroit Blvd intersection. The project includes construction of new sidewalks, vertical curb and gutter, landscaping, enhanced pavement treatments, Class II bike lanes with 2' buffers, street and pedestrian lighting, landscaped medians, and traffic signal improvements.
- B. City staff and consultants have recently commenced work on the final design phase of the project to prepare the plans, specifications, and cost estimate. The transfer of funds will allow staff to move forward with completion of final design and to maintain the project delivery schedule for construction by Summer 2020.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Manager or the City Manager's designee is authorized to increase the expenditure budget in the Meadowview Road Complete Streets Project (T15145500) by transferring \$250,000 from the available fund balance of the Major Street Construction Fund (Fund 2007).

Adopted by the City of Sacramento City Council on June 11, 2019, by the following vote:

Ayes: Members Ashby, Carr, Guerra, Hansen, Harris, Jennings, Schenirer,
Warren and Mayor Steinberg

Noes: None
