

RESOLUTION NO. 2007-195

Adopted by the Sacramento City Council

April 3, 2007

DETERMINING PROJECT EXEMPT FROM REVIEW UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (ZONING CODE AMENDMENT RELATING TO LANDSCAPING REQUIREMENTS M06-052)

BACKGROUND

A. The City of Sacramento's Environmental Planning Services has reviewed the ordinance relating to landscaping requirements in required setback areas for single-family and two-family residential uses and has determined the proposal is exempt from review under the California Environmental Quality Act as follows:

1. The proposal is exempt under the following provisions of the California Environmental Quality Act (CEQA): Section 15061 (b) (3);
2. The factual basis for the finding of exemption is as follows:

Exemption 15061 (b) (3) consists of an activity covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. The City Council has reviewed and considered the Environmental Planning Services determination of exemption and the comments received at the hearing on the Project and determines that the Project is exempt from review under the California Environmental Quality Act for the reasons stated above.
