

RESOLUTION NO. 2005-560

Adopted by the City of Sacramento City Council

July 21, 2005

AUTHORIZING THE CITY MANAGER TO EXECUTE A 2ND SUPPLEMENTAL AGREEMENT WITH BASELINE ENVIRONMENTAL CONSULTING FOR ADDITIONAL TASKS NECESSARY TO COMPLETE THE REMEDIAL INVESTIGATION OF CONTAMINATION FOR SITE CLOSURE AT THE SACRAMENTO TRAPSHOOTING CLUB

BACKGROUND

- A. The Sacramento Trapshooting Club has operated a shooting range at the present location within the Haggin Oaks Golf complex for approximately 80 years. Trapshooting results in the deposit of lead shot and clay pigeon debris over a relatively large area. Approximately 750,000 square feet (17 acres) are contaminated to some extent with elemental lead and polynuclear aromatic hydrocarbons (PAH). Cleanup of these materials is required since, depending on concentration, some are considered hazardous waste under federal and state law.
- B. In July 2004, the City initiated a process under the regulatory oversight of the County of Sacramento Environmental Management Department (EMD) and the California Regional Water Quality Board (Board) to characterize the contamination and develop a plan for remediation of the site.
- C. Following completion of the initial environmental remediation analysis of the site the Board and County Environmental Management Department (EMD) found gaps in the data collected regarding the extent of contamination.
- D. In response the City's consultant, Baseline, has prepared a 2nd workplan for sampling that both the Board and the EMD have found acceptable. The additional sampling and laboratory analysis has increased the anticipated cost of the investigation. Staff therefore requests a supplement to the current contract budget.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1 The City Manager is hereby authorized to enter into an agreement in the amount of \$70,350 with Baseline Environmental Consulting for the completion of tasks necessary to complete the remedial investigation of contamination at the Sacramento trapshooting Club. This supplemental agreement brings the total cost of the remedial investigation to \$201,044.
