EXECUTIVE DIRECTOR

April 25, 1984

For Commission Meeting of:  
May 3, 1984

To: Sacramento Metropolitan Cable Television Commission

From: Bob Smith, Executive Director

Subject: APPROVAL OF FUNDING FOR VIDEOTAPE

Staff is preparing a video documentary on the cable franchising process in Sacramento. This documentary will cover the period from development of the Ordinance through the award of the franchise to Cablevision of Sacramento. It will include interviews with all members of the Commission and highlight the involvement of local government in ensuring a responsible cable franchise process.

Cosumnes River College assisted in videotaping the cable hearings. However, the equipment at Cosumnes is not sufficient to complete the project. Therefore, staff is requesting \$5,000 to pay for the cost of renting video equipment, supplies, and for payment of copyright clearances to local broadcast stations for use of their news footage. There are sufficient funds within the current budget for Other Professional Services to allocate for this expenditure.

Staff has released an Invitation For Bids to local video rental businesses and expects to receive competitive bids on Friday, April 27th. We will select the vendor who submits the lowest, responsible bid and recommend approval of the attached contract at your May 3rd meeting.

Therefore, it is recommended that you:

- (1) Approve a \$5,000 expenditure from the 1983/84 budget to produce the videotape documentary.
- (2) Authorize the Chairman to execute a Video Equipment Rental Contract with the lowest, responsible bidder.
