

# RESOLUTION NO.

ADOPTED BY THE SACRAMENTO CITY COUNCIL

ON DATE OF OCT 28 1997

## RESTRICTION OF TRAFFIC THROUGH ALLEY BOUNDED BY FAIRFIELD STREET, CANTALIER STREET, CALVADOS AVENUE AND DEL PASO BOULEVARD (RT97-06)

THE CITY COUNCIL OF THE CITY OF SACRAMENTO FINDS AND RESOLVES AS  
FOLLOWS:

1. In accordance with Section 21101.1 of the Vehicle Code of the State of California and with Chapter 38.17 of the Sacramento City Code, the City Council hereby approves the restriction of traffic through the alley bounded by Fairfield Street, Cantalier Street, Calvados Avenue and Del Paso Boulevard, pursuant to conditions of this resolution.
2. To facilitate restriction of traffic through the alley, gates, barriers, required signs or other improvements that are approved by the City may be constructed in the public right-of-way at the previously mentioned location.
3. The City Council hereby finds and declares that all the facts, as set forth in this resolution, and as stated in the staff report, are true and correct; and that by reason of these findings the aforementioned alley shall have restriction of vehicular and pedestrian traffic through the alley. Duration of restriction is until the City Council finds that such restriction is no longer necessary.
4. The City Council finds and determines that such restriction is necessary for the protection or preservation of the public peace, safety, health or welfare.
5. The City Council finds and determines that the restriction provides adequate access of the maintenance, operation replacement, removal, or renewal of utilities existing in or accessible through the alleys, for delivery of freight by commercial vehicles for the operation of emergency vehicles, and for the performance of municipal services.

6. The City Council approves the restriction of traffic in the alley if a Fire Department "Knox Box" key operated opening device is installed on all gates.
