OWNER - BUILDER DECLARATION

I hereby affirm under penalty of perjury that I am exempt from the Contractors License Law for the following reason (Sec. 7031.5, Business and Professions Code: Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 8 of the Business and Professions Code) or that he or she is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500.00):

I, as owner of the property, or my employees with wages as their sole compensation, will do the work and the structure is not intended or offered for sale (Sec. 7044, Business and Professions Code). The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who does such work himself or through his or her own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold, either in part or in whole, the owner-builder will have the burden of proving that he or she did not build or improve for the purpose of sale.

I, as owner of the property, am a licensed contractor with licensed contractors to construct the project (Sec. 7044, Business and Professions Code). The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who contracts for such projects with a contractor's licensed pursuant to the Contractors License Law.

I am exempt under Sec. \_\_\_\_\_ B & P.C. for this reason \_\_\_\_\_

In issuing this Building permit the applicant represents and the City relies on the representation of the applicant that the applicant certified all measurements and locations shown on the application or accompanying drawings and that the improvement to be constructed does not violate any law or private agreement relating to permissible or prohibited locations for such improvement. This building permit does not authorize any illegal location of an improvement or the construction of any private improvement relating to location of construction.

For every building permit and other permit and for each of the conditions of a permit, I agree to comply with all city and county ordinances and state laws relating to building construction and hereby authorize the presence of the city and county inspectors for the purpose of inspection for inspection purposes.
