MEMORANDUM

TO: LAW AND LEGISLATIVE COMMITTEE  
HONORABLE MEMBERS IN SESSION

SUBJECT: TRESPASSING ON PRIVATE PROPERTY

SUMMARY

In recent years, there has become an increasing problem with people loitering around closed business establishments at night. Youths use business parking lots for drinking parties, drug dealers conduct business in doorways, public inebriates sleep in the shrubbery, and gang members apply graffiti to the walls of commercial buildings.

The existing state law is so narrow in scope and cumbersome to enforce, it is very difficult for officers to control criminal activities around these closed commercial premises.

The enactment of the attached City Ordinance would greatly increase the officer's ability to prevent criminal activity while still protecting those persons who are legitimately on the property.

BACKGROUND

Officers on the street are confronted with an increasing number of people who loiter around private commercial property at night. Teenage "Cruisers", drug dealers and users, inebriated transients, and youth gang members use business parking lots as nocturnal meeting places.

In many cases, it is very difficult for officers to deal with these problems in an effective manner. At the present time, Section 602, et al; of the Penal Code (PC) is the only enforcement tool available to the police. This section, and the various subsections are very narrow in scope and difficult to enforce.

The proposed City Ordinance overcomes many of the shortcomings of the State Law, yet accommodates the rights of persons who are on the premises for legitimate purposes. This law will allow officers to effectively deal with criminal trespassing.

FINANCIAL DATA

Enforcement of the proposed City Ordinance could be accomplished within the present Police Department budget.

POLICY MATTERS

Enactment of this Ordinance would not cause any significant change in present policies.

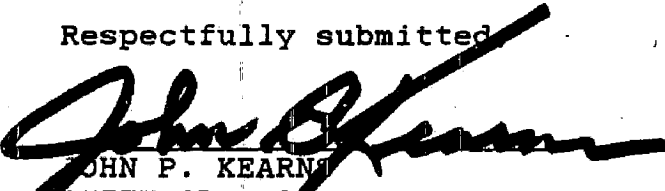

MBE/WBE

This does not entail a purchase of goods or services.

RECOMMENDATIONS

The Police Department recommends passage of the attached City Ordinance (Section 26.77 SCC).
