Description/Analysis

Issue: The vacant property located at 5716 Stockton Boulevard in the County of Sacramento (see Attachment 1) is currently offered for sale. This 1.28 acre site is zoned light commercial and residential, and was the location of the Park Villa Victoria Motel which was demolished approximately 3 years ago. It is immediately adjacent to the San Juan Motel and Mobile Home Park which is one of several obsolete motels identified by the Agency for reuse or redevelopment. For the last several years, the Agency has been interested in assembling a development site at this location. At the end of 2007, the property owner of 5716 Stockton Boulevard indicated interest in selling the property to the Agency. The subject site has since been listed for sale.

Acquisition of 5716 Stockton Boulevard

Policy Considerations: The proposed project supports the Stockton Boulevard Five-Year Implementation Plan, specifically the Obsolete Motel Reuse Reconfiguration Program, and is consistent with the Stockton/ Broadway Urban Design Plan and Broadway/Stockton Special Planning District. The proposed project also furthers the objectives of the County's General Plan Economic Development Element by creating a catalyst site for commercial corridor redevelopment to improve quality of life, balance land uses and increase the tax base.

Environmental Considerations: As part of the Agency's due diligence, a Phase I Environmental Assessment was performed. The Agency is conducting limited additional testing to determine whether groundwater contamination may be present under the property. Acquisition of the property as described herein is in furtherance of the Stockton Boulevard Redevelopment Plan. Acquisition of the property does not commit the Agency to proceed with a development project. California Environmental Quality Act (CEQA) Guidelines Section 15004(b)(2)(A) allows for land acquisition where the Agency will conduct CEQA review once the proposed project has been defined when the acquisition does not limit the choice of alternatives or mitigation measures, and future development of the land is subject to CEQA compliance. Environmental review of the proposed project will be conducted once the scope of development of the property has been defined. Therefore, this action is exempt from environmental review. National Environmental Policy Act (NEPA) does not apply.

Committee/Commission Action: *Stockton Boulevard Redevelopment Advisory Committee (RAC):* At its meeting on March 20, 2008, the RAC considered the staff recommendation for this item. The votes were as follows:

AYES: Alvarez, Bradley, Hodges, Lathrop

NOES: None

ABSENT: Abelaye, Angelone, Cranshaw

Sacramento Housing and Redevelopment Commission Action: At its meeting on May 7, 2008, the Sacramento Housing and Redevelopment Commission considered the staff recommendation for this item. The votes were as follows:

AYES: Burruss, Chan, Dean, Fowler, Gore, Morgan, Stivers

NOES: None

Acquisition of 5716 Stockton Boulevard

Rationale for Recommendation: The subject parcel is adjacent to an obsolete motel and several vacant and underutilized parcels. Therefore, all have been identified as a development opportunity site. Redevelopment of this opportunity site into an attractive, high-quality project with housing and commercial uses has been a high priority for the past four years. Acquisition of the subject property is the first step in assembling a larger site, and will increase the likelihood of a successful redevelopment project. It is cost-effective to purchase this site now as it is being actively marketed by a motivated seller. Following the assembly of an opportunity site which has optimal development potential, a request for proposals will be released for a mixed-use project.

Financial Considerations: Staff estimates the cost to purchase the property at 5716 Stockton Boulevard, including closing costs, site maintenance and security will be approximately \$1,100,000. This report recommends the allocation of Stockton Boulevard Tax Increment Development Assistance funds for the purchase and associated expenses.

M/WBE Considerations: The items discussed in this report have no M/WBE impact; therefore, M/WBE considerations do not apply.

LA SHELLE DOZIER
Interim Executive Director
