WHEREAS, less than thirty days having expired since the date of filing of the report under said Act above referred to;

NOW, THEREFORE, it is hereby resolved, found and determined by the City Council of the City of Sacramento as follows, to-wit:

1. That the public interest, convenience and necessity require the doing and making of the public improvement set forth and described in said reports above referred to, and substantially in the manner therein set forth;

2. That the project consisting of the proposed improvement above referred to is feasible, and that the lands to be assessed to pay the costs and expenses of the proposed improvement will be able to carry the burden of the proposed assessment;

3. That the estimated total amount proposed to be assessed upon any and all lots or parcels of land for the costs and expenses of said proposed improvement will cause the limitation of indebtedness established and set forth in said Act above referred to, to be exceeded; and that it is the intention of this Council that said limitation shall be exceeded in accordance with the provisions of said Act.

4. That no majority protest in writing has been filed by the owners of property proposed to be assessed to pay the costs and expenses thereof against the proposed improvement above referred to, or any part thereof, in the manner provided in said Act above referred to;
