REAL ESTATE ADVISOR'S REPORT  
ACCEPTED

W. Jim Smith of WJS & Associates submitted the Real Estate Advisors Report for October-November 1985. Mr. Smith reviewed the report with the Board and reported the following:

a) the income-expense statement for the 1414 K Street Building reflects a large expense due to an overlooked elevator maintenance bill from June 1984.

b) that no response has been received from Ron Watkins on the system's settlement counteroffer on the delinquent rent. After discussion, the consensus of the Board was to pursue legal action against Mr. Watkins.

c) he has requested the system's property managers to have the system's real estate inspected by both an electrical engineer and a contractor to determine if either building has any asbestos or PCB contamination in the electrical apparatus.

d) that the Executive Plaza Building was sold by Bell Savings and Loan in a package with two other buildings.

Mr. Smith also submitted the WJS & Associates June 30, 1985 annual valuation of the system's real estate.

Mr. Smith and William Carnazzo, counsel to the Board, reported that the system has received a notice to rescind lease from the California Association for the Retarded, tenants in the 1414 K Street Building. The Board was informed that the notice has no merit and that Mr. Carnazzo will be responding to the notice.

The Board also discussed real estate equity allocations at length.
