September 19, 1980

City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Approval of Plans and Specifications for 65th Street
Expressway Median Landscaping, Fruitridge Road to
53rd Avenue

SUMMARY:

The City Engineer's office has prepared plans and specifications for the subject project. Copy of said plans and specifications has been forwarded to the City Clerk and approval is recommended.

FINANCIAL DATA:

In F.Y. 1979/80 the City Council approved in the Capital Improvement Budget, \$140,000 of Gas Tax funds for the subject project. Total amount currently available for this project is \$138,853. The original budgeted amount was for median landscaping only. The estimated construction cost for the median landscaping is \$122,750. Staff was requested to include landscaping of the frontage medians in the design for bidding purposes. The estimated construction cost, including the frontage medians, is \$156,735. If the frontage medians are included in the project, additional funding will be required. A recommendation on additional funding will be made after bids have been received.

RECOMMENDATION:

The City Engineer recommends that the plans and specifications be approved and that bids be received on October 21, 1980.

Respectfully submitted,

R. H. PARKER
City Engineer

Recommendation Approved:
