SECRETARY

ACTING PRESIDENT

Rule 25
Employee Grievance Policy

25.1 Applicability: This rule shall be applicable to all classified employees other than those in the Fire Department Representation Unit as defined in City Council Resolutions 153 and 284.*

25.2 Purpose of Employee Grievance Policy

- (a) Employees' grievances shall be recognized and reviewed in accordance with this policy.
- (b) The purposes of this policy are:
1. To resolve grievances informally at the employee-immediate supervisor level if possible;
 2. To provide an orderly procedure for reviewing and promptly resolving grievances (as that term is hereinafter defined) on matters for which appeal or hearing is not provided, or expressly withheld, by other civil service rule, City Council resolution or ordinance, or charter provision;
 3. To determine and correct, if possible, the causes of grievances;
 4. To encourage communication between employees and those of higher authority.

25.3 Definitions Applicable

- (a) "Grievance" - A grievance exists when an employee in the classified service, in good faith, claims that he personally has been adversely affected in his employment by the violation or withholding of a right accorded him by rule or law, or by the inequitable and unreasonable consequences of such personnel rules or practices formulated by City management that do not relate to the determination, organization, level and standards of performance of the services to be provided by the City; and for which a specific hearing or appeal procedure is not otherwise provided, or is not specifically withheld, by civil service rule, ordinance, resolution, or charter provision.
- (b) "Immediate Supervisor" - The individual who assigns, reviews and directs the work of an employee.
- (c) "Department Head" - A manager who organizationally reports directly to the City Manager or Assistant City Manager.

* This Grievance Procedure is the result of "meeting and conferring" between the City and its recognized employee organizations, leading to a Memorandum of Understanding executed by these parties other than Fire Fighters Union Local 522. Pursuant to its Resolution 739, the City Council approved the terms of this Memorandum of Understanding, and recommended to the Civil Service Board that it implement the agreed-upon Grievance Procedure for classified employees other than those represented by Fire Fighters Union Local 522.

- (d) "Division Head" - A manager who organizationally reports directly to a Department Head or Assistant Department Head.

25.4 Grievance Procedure

(a) Informal Grievance

Discussion with immediate supervisor:

The employee first shall discuss his grievance informally with his immediate supervisor. The employee shall do this promptly and in no event shall he delay more than ten (10) work days after the cause for his claim arose. Within five (5) work days, the immediate supervisor shall give his decision or response to the employee.

(b) Formal Grievance

Step 1:

If an informal grievance is not resolved to the employee's satisfaction, the employee may initiate a formal grievance.

Such a formal grievance must be initiated within five (5) work days after notification of the decision or response pursuant to the informal grievance under (a) above. A formal grievance may be initiated only by completing a grievance form setting forth the specific complaint, all the related facts, and the requested remedy, which is signed by the employee, and filed with the immediate supervisor's supervisor, who shall provide the grievance appeal form and instructions relating to its use to the employee and his duly authorized representative.

Upon filing of the grievance form, the immediate supervisor's supervisor shall investigate the grievance, confer with the immediate supervisor and the employee, and his duly authorized representative, if any, in an attempt to resolve the grievance; and give his decision in writing to the employee or his duly authorized representative and the employee's immediate supervisor, within five (5) work days of the proper and complete filing of the grievance form.

Step 2:

If the employee is not satisfied with the decision rendered in Step 1, he may appeal his grievance within five (5) work days after receiving notification of that decision to the appropriate division head, or his designated representative, or if there be no division head, then to the appropriate department head or his designated representative. If such division or department head is also the employee's immediate supervisor's supervisor, the employee shall bypass Step 2.

Within ten (10) work days, such division or department head or his designated representative shall investigate the grievance and provide the employee and his designated representative, if any, with a written statement of his decision which shall be signed by the division head, if there be one, the department head and the City Manager, or their designated representatives.

Step 3:

If the employee is not satisfied with the decision rendered in Step 2, and to the extent that the subject matter of the grievance falls within its jurisdiction, he may appeal the decision to the City Civil Service Board. Such appeal must be filed in writing with the Secretary of the Civil Service Board within five (5) work days of delivery to the employee or his duly designated representative of the division or department head's decision in the matter and shall be signed by the employee. Within fifteen (15) work days, the City Civil Service Board shall commence the conducting of a hearing on the appeal subject to its regular rules for conducting hearings and shall determine the facts involved after giving the employee, his supervisors and City Management an opportunity to present evidence concerning the grievance. The Civil Service Board shall render in writing its findings and decisions, which shall be final and binding to the extent authorized by law.

25.5 General Provisions

- (a) Each party involved in a grievance shall act quickly so that the grievance may be resolved promptly. Every effort should be made to complete action within the time limits contained in this grievance procedure, but with the written consent of both parties the time limitations for any step or act may be extended for a specified number of additional work days. In the absence of such mutual written consent, failure by an employee to comply with the time limitations herein shall be deemed to constitute a final withdrawal and waiver of his claim; and failure by the herein designated representatives of the City to respond within the specified time limits shall entitle the employee to forthwith carry his grievance to the next designated step in the procedure.
- (b) An employee may be assisted in presenting a formal grievance by a representative who may be an agent of an employee organization of which the employee is a member, or an attorney. The employee shall authorize such representative to act on his behalf in writing on his grievance form.
- (c) An employee or his duly designated representative may present his grievance during working hours, providing such use of City time shall be kept to a reasonable minimum.
- (d) Subject to the condition that employees and their representatives shall submit only such claims that they, and each of them, reasonably and in good faith believe have merit and are subject to this grievance procedure, this grievance procedure may be used by an employee without fear of prejudice to himself. Reprisals shall not be taken against any employee for submitting a grievance. Supervisors and other management representatives shall not delay or suppress submission and orderly consideration of a grievance. Any employee or officer of the City who wilfully and deliberately violates the provisions of this paragraph may be subject to disciplinary action.

- (e) All communications pertaining to employee grievances shall be confidential, and shall not be discussed except with concerned personnel.
- (f) A recognized employee organization representative may initiate a formal grievance on a group basis when several of its employee members simultaneously allege identical claims. In such a case the representative need not reveal the names of the employees that have expressly requested and authorized the representative to so act on each of their behalves unless any level of review hereunder in its reasonable discretion determines that complete and satisfactory consideration of the grievance cannot be given without knowledge of the names of the aggrieved employees involved.
- (g) Nothing herein is intended or shall be construed to effect the jurisdiction, authority and discretion vested under any law in the City Council or the City's Boards, Commissions or Officers.
- (h) This rule shall become effective on July 1, 1971, and shall remain in full force and effect for one year from that date, or until such earlier date as a change in City Charter provisions supersedes any of the basic provisions hereof.

Adopted by Civil Service Board on 6/1/71
