Based on guidelines established for commercial development in this PUD, the proposed drive through facility would not be appropriate. The guidelines exclude uses that generate high traffic volumes or the necessity for large service areas which are characteristic of drive through facilities.

STAFF EVALUATION: Staff has the following comments concerning this request:

1. There is an existing fast food restaurant on this site. In addition to this restaurant, the adjacent parcel contains a liquor store, convenience store and a pizza parlor. All of these uses generate a large volume of traffic in this neighborhood shopping center.
