

## **RESOLUTION NO. 2019-0103**

Adopted by the Sacramento City Council

April 2, 2019

### **Flygt Pump Equipment and Parts Agreement with Xylem Water Solutions, Inc.**

#### **BACKGROUND**

- A. The Department of Utilities (DOU) operates and maintains water, wastewater, and drainage facilities throughout the City.
- B. DOU's sanitary sewer sumps and some drainage sumps are configured with Flygt pumps manufactured by Xylem Water Solutions, Inc. (Xylem). Due to the age of many of these pumps, the number of pumps needing rebuilding or replacement by City staff is rapidly increasing.
- C. DOU has been installing Flygt pumps for over 20 years and they have proven to be extremely reliable. Due to ongoing staff training on repairing Flygt products and ease of repairs, pumps are lasting beyond their estimated service life of 15 years.
- D. City Code Section 3.56.230 allows the City Council to suspend competitive bidding, on a 2/3 vote, when the City Council determines that it is in the best interests of the City to do so. It is in the City's best interest to suspend competitive bidding for the purchase of Flygt Pump Equipment and Parts because the replacement of pump parts provides a significant cost savings over replacing an entire pump and parts are required to match existing equipment. Xylem is the only direct municipal supplier for Sacramento County, including the City of Sacramento.
- E. Sufficient funding is available in the proposed DOU Fiscal Year (FY) 2019/20 Operating Budget to cover the first year of the agreement subject to City Council approval of the FY2019/20 budget. Funding for succeeding fiscal years shall be subject to funding availability.

#### **BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:**

- Section 1. Competitive bidding is suspended for the Purchase of Flygt Pump Equipment and Parts in the best interests of the City.

Section 2. The City Manager or the City Manager's designee is authorized to execute a Supplies Agreement with Xylem Water Solutions, Inc. to purchase Flygt pump equipment and parts for an amount not-to-exceed \$750,000 over a five-year term, provided that sufficient funds are available for this purpose in the budget adopted for the applicable fiscal years.
