Honorable Members in Session:

SUBJECT: Laguna Park Site Acquisition and Appropriation of \$248,294 (LG81)

SUMMARY

This report recommends appropriating \$248,294 of Quimby funds to pay the final half of the purchase price for this site acquisition pursuant to a promissory note to pay the remainder before June 11, 1991. A copy of that promissory note is attached as Exhibit B.

BACKGROUND INFORMATION

In December 1988, Arlington Park Site (13.31 acres) was dedicated to the City of Sacramento in lieu of payment of Quimby fees. This site is located at the intersection of Center Parkway and Jacinto Avenue (Exhibit A).

The owners of an adjacent 8.75 acre parcel agreed to sell their parcel to the City for the appraised value of the land, less the present assessment bond balance. This acquisition, when combined with the previous dedicated parcel will yield 22 acres of contiguous City-owned parkland.

On June 12, 1990, the City Council authorized the City Manager to execute an acquisition agreement and a deed of trust to purchase the site. The City paid one-half of the purchase price on June 11, 1990, and agreed to pay the remainder before June 11, 1991.

FINANCIAL DATA

No general funds are requested.

Currently, funding for the \$248,294 payment is not available in the Laguna Area Quimby Account. It is estimated, however, that over \$500,000 in Quimby fees will be received by the end of the year. It is recommended that the \$248,294 payment be made out of the Quimby Contingency Reserve which will be reimbursed by the Laguna Quimby Account once funds are available.

POLICY CONSIDERATIONS

The use of Quimby funds for completion of the subject project is consistent with the Quimby ordinance.

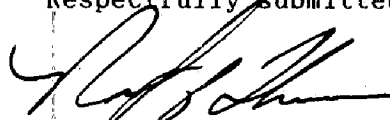

MBE/WBE EFFORTS

There are no goods of services being purchased.

RECOMMENDATION

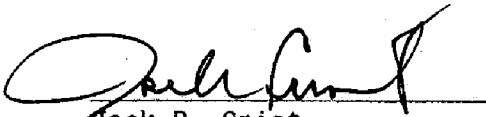

It is recommended that the Budget and Finance Committee approve this report and forward it to the full City Council for approval. Further, it is recommended that the City Council, by resolution: (1) authorize the amendment of the FY 1990-91 Capital Improvement Program budget by the transfer of \$ 248,294 in Quimby Funds to the Laguna Park Site Acquisition Project (LG81); and (2) authorize the reimbursement of the Quimby Contingency Reserve from the Laguna Quimby Account once funds are available.

Respectfully submitted,

Robert P. Thomas, Director
Parks and Community Services
