Description/Analysis

Issue: Due to staff changes in the City Manager's Office, it is necessary to update the City Council's resolution establishing the order of succession in the event of absence or disability of the City Manager.

Policy Considerations: A resolution of succession is required for the City's emergency plan and provides clear direction in the case of the City Manager's absence.

Environmental Considerations: The recommendations do not constitute a "project" and therefore are exempt from the California Environmental Quality Act (CEQA) according to Section 15061(b)(1) and 15378(b)(3) of the CEQA guidelines.

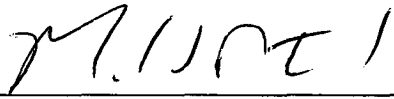

Commission/Committee Action: N/A

Sustainability Considerations: N/A

Rationale for Recommendation: This action will provide an updated resolution of succession on file to identify who will assume the City Manager's duties and obligations during the absence of the City Manager. A current resolution of succession is also needed for the City's emergency plan.

Financial Considerations: N/A

Emerging Small Business Development (ESBD): N/A
