Description/Analysis

Issue: On September 6, 2008, two members of CA TF-7 were activated by the Department of Homeland Security/Federal Emergency Management Agency (DHS/FEMA) for response to Hurricane Gustav. As the sponsoring agency for CA TF-7, US&R program, the City of Sacramento must sign the DHS/FEMA Assistant Award/Amendment contract (EMW-2008-CA-1498) in the amount of \$56,000, to receive reimbursement for costs associated with this deployment.

Policy Considerations: Acceptance of the federal US&R funding is consistent with City Council action relative to state and federal grant awards.

Environmental Considerations:

California Environmental Quality Act (CEQA): Ongoing administrative maintenance activities, such as purchases of supplies, equipment or materials which are not made for purposes of a public construction project, do not constitute a "project" and are exempt from the California Environmental Quality Act (CEQA). CEQA Guidelines, Section 15061(b)(1), 15378(b)(3).

Sustainability Considerations: There are no sustainability considerations applicable to the acceptance of federal funding reimbursing DHS/FEMA directed activities.

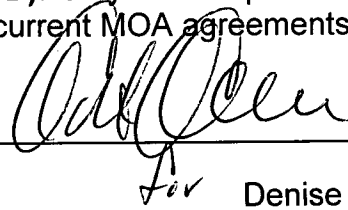

Commission/Committee Action: None.

Rationale for Recommendation: DHS/FEMA Assistant Award/Amendment contract (EMW-2008-CA-1498) in the amount of \$56,000, must be signed and submitted to DHS/FEMA to receive reimbursement for costs associated with the Hurricane Gustav deployment. (The contract EMW-2008-CA-1498 is on file and available for review online at the City's website and in the Office of the City Clerk.)

Financial Considerations: As the sponsoring agency, the City Of Sacramento incurs costs related to the activation of the CA TF-7 US&R team. DHS/FEMA reimburses expenses directly related to each event where team members are deployed. This is a new agreement for deployments beginning in 2008, against which other amendments will be issued for subsequent deployments. This contract allows DHS/FEMA to obligate \$56,000 of federal funds (Fund 2702) to cover expenses incurred by the City in its response to Hurricane Gustav.

Emerging Small Business Development (ESBD): Only labor expenses have been incurred under this report, through agencies on current MOA agreements.
