City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: FLORIN ROAD AND LUTHER DRIVE TRAFFIC SIGNAL PROJECT (PN: SM11) - APPROVE PLANS AND SPECIFICATIONS, ACCEPT BID, AND AWARD CONTRACT

LOCATION AND COUNCIL DISTRICT:

Intersection of Florin Road and Luther Drive, City Council District 5 and 8. (See location map - Attachment A).

RECOMMENDATION:

This report recommends that the City Council adopt the attached resolution:

- Approving the plans and specifications for the Florin Road and Luther Drive Traffic Signal Project (PN: SM11);
- Accepting the bid and awarding the construction contract in the amount of \$150,721 to Pacific Excavation, Inc., and
- Authorizing and directing the City Manager to execute a contract in the amount of \$150,721 with Pacific Excavation, Inc.

**CONTACT PERSONS: Kaleb Haile, Senior Electrical Engineer, 808-7020
Tim Mar, Supervising Engineer, 808-7531**

FOR COUNCIL MEETING OF: June 21, 2005

City Council
Florin Road and Luther Drive Traffic Signal Project (PN: SM11)
May 20, 2005

SUMMARY:

This project involves the installation of a traffic signal at the intersection of Florin Road and Luther Drive. In addition, new curb ramps, signing and pavement markings will be installed at this intersection.

This report recommends that the City Council approve the plans and specifications and award the construction contract to Pacific Excavation, Inc. for the Florin Road and Luther Drive Traffic Signal Project (PN: SM11).

COMMITTEE/COMMISSION ACTION: None.

BACKGROUND INFORMATION:

The Florin Road and Luther Drive intersection currently does not have a traffic signal. The installation of the signal will enhance the movement of traffic and provide a safe crossing for pedestrians.

This project was advertised and bids were received on May 18, 2005. The results are summarized below.

Contractor	BID	ESBE Participation Goal 20%
Pacific Excavation Inc.	\$150,721	100%
Tennyson Electric	\$174,621	20%

The engineer's estimated construction cost was \$162,084. It is recommended that the contract be awarded to Pacific Excavation Inc. for its lowest responsible bid.

FINANCIAL CONSIDERATIONS:

The current total project budget is \$400,000. As of June 6, 2005, the Florin Road and Luther Drive Traffic Signal Project (PN: SM11) has an unobligated balance of \$352,055, which is sufficient to execute the contract in the amount of \$150,721 with Pacific Excavation, Inc.

ENVIRONMENTAL CONSIDERATIONS:

The Development Services Department, Environmental Planning Section has reviewed the proposed project and has determined that the project is exempt from the provisions of the California Environmental Quality Act (CEQA) under Class 1, Section 15301 (a), Class 2,

City Council
Florin Road and Luther Drive Traffic Signal Project (PN: SM11)
May 20, 2005

Section 15302 (c), and Class 3, Section 15303 (d). Projects exempted under Classes 1, 2 and 3 consist of the operation, maintenance and repair of existing facilities, replacement and reconstruction of existing structures and the construction of limited numbers of new, small facilities. A Notice of Exemption has been prepared and will be filed with the County Recorder's office.

POLICY CONSIDERATIONS:

The action requested herein is consistent with Sacramento City Code, Title 3. This report is consistent with the Sacramento City Strategic Plan goal to improve the transportation system and enhance and preserve neighborhoods.

ESBD CONSIDERATIONS:

To encourage small and emerging business participation, plans and specifications were sent to ESBE construction firms. Staff actively recruited available ESBE firms to participate in the bid process. The project was also announced on the City's Internet site at www.cityofsacramento.org/bids. The recommended contractor is a certified Small Business Enterprise and has committed to 100% ESBE participation on the project.

Respectfully submitted,

Nicholas Theocharides
Engineering Services Manager

RECOMMENDATION APPROVED:

ROBERT P. THOMAS
City Manager
