Re: Permit Extension

Dear Sir

This is a request for an extension of Building Permit # 9908036 R.

Part way through the remodel of our house, we found it necessary to change contractors, and after deciding that we could not do all of the remaining work ourselves, began searching for a new contractor to complete the project. When we took out the above permit to replace the original, we thought that the time allowed would be enough, but finding the right contractor and working out all of the details has taken a little more time than we thought it would. We now have a contractor, and are ready to proceed.

Your extension of this permit would be very much appreciated.

Sincerely,

1-20-00
