**Contact:** Melissa Anguiano, Sr. Economic Development Project Manager, 808-5864

**Presenters:** n/a

**Department:** Economic Development Department

**Division:** Citywide

**Organization No:** 18001021

### Description/Analysis

**Issue:** The City received Economic Development Conveyance (EDC) of the Army Depot property in August of 1994. In 1994, City Council also approved a Master Lease with Packard Bell Electronics, Inc. for operation of the former Army Depot site, City Agreement number 94-194. In 1999, the City approved an assignment of the Master Lease by Packard Bell to US National Leasing, LLC (USNL) through the First Amendment to the Master Lease, City Agreement number 94-194-1.

Since 1999, there have been seven amendments to the Master Lease. The "Seventh Amendment" to the Master Lease, City Agreement number 94-194-7, approved by the City Council on October 16, 2007, reflects an "Assignment" of a portion of USNL's lease to its affiliate US Depot Lands, LLC (Depot Lands).

On February 12, 2008, City Council approved a "Confirmation Agreement" with Depot Lands, City Agreement No. 2008-0133. The Confirmation Agreement confirmed the effect of the Seventh Amendment and a Landlord/Tenant relationship between Depot Lands and the City with respect to the portion of the

Army Depot formerly leased by USNL and assigned to Depot Lands.

Despite the Confirmation Agreement, the Seventh Amendment was ambiguous with respect to Depot Lands' rights and obligations created by the Assignment. As a result, it has been difficult for Depot Lands to secure financing for the development of new projects on the leased parcels that were assigned to it through the Seventh Amendment.

In addition to clearing up any ambiguity, there is one last Army Depot parcel that requires acceptance into the Leased Premises and Purchase Option of the Master Lease. In March 2005, the US Army conveyed title to Army Depot Parcel 2B through City Agreement number 2005-0409. Parcel 2B was the last piece of Sacramento Army Depot property covered in the original 1994 conveyance. The Fifth Amendment to the Master Lease, approved by City Council on March 1, 2004, City Agreement number 94-194-5, stated that the Tenant could accept Parcel 2B into the Leased Premises upon notice to City. On October 9, 2009, Assignee Depot Lands notified the City of its acceptance of Parcel 2B into its Leased Premises. Depot Lands would also like to include Parcel 2B in the purchase option parcels of the Master Lease.

**Policy Considerations:** The amendment to the Master Lease with Depot Lands will make clear the relationship between Depot Lands and the City, with respect to Depot Lands' obligations under the Master Lease, including all rights and interests in the released parcels. This amendment will give the developer the ability to finance specific projects, which will increase private investment in the former Army Depot, and accepts Parcel 2B to the Leased Premises and Purchase Option Parcels of the Master Lease.

**Environmental Considerations:**

**California Environmental Quality Act (CEQA):** This report concerns administrative activities that do not constitute a "project" as defined by the CEQA [CEQA Guidelines Sections 15061(b)(3); 15378(b)(2)].

**Sustainability Considerations:** There are no sustainability considerations applicable to this report.

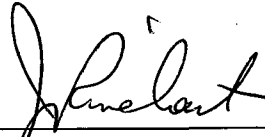

**Commission/Committee Action:** None

**Rationale for Recommendation:** The action requested herein is consistent with the City's goal to expand economic development and assist in the reuse of the former Army Depot.

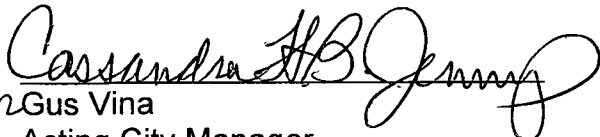

**Financial Considerations:** The proposed action has no financial impacts.

**Emerging Small Business Development (ESBD):** Not applicable.

Respectfully Submitted by:
