Presenters: Geri Hamby, Director of Human Resources, 808-7173; Marti Flores,

Department: Human Resources

Division: Administration

Organization No: 1511

Summary:

Pursuant to the negotiated settlement with the City of Sacramento's Local 522
which represents the Fire Department and in accordance with the negotiated
labor agreements for Miscellaneous employees (includes all City employees
except Safety), the PERS contract shall be amended to provide credit for unused
sick leave, effective April 29, 2006.

To accomplish this amendment to the PERS contract, the City Council is required to adopt the final ordinance at the March 21, 2006 meeting. This Ordinance was passed for publication at the Council meeting of February 28, 2006.

Committee/Commission Action: None.

Background Information:

During the 2005 labor negotiations with the Fire Department and with the other non-safety bargaining units, the City agreed to amend the PERS contract to provide for the conversion of unused sick leave at the time of retirement to service credit.

The actuarial valuation impacts for the adoption of the plan amendment for Safety will take the Estimated Employer Rate for Safety from 22.709% to 22.947% for 2006-2007.

1) Change in the present Value of Benefits	\$2,094,162
2) Increase in Actuarial Value of Assets	\$0
3) Change in the Unfunded Accrued Liability	\$1,320,629
4) Change in the Total Employer Rate	0.238%

The actuarial valuation impacts for the adoption of the plan amendment for Miscellaneous will take the Estimated Employer Rate for Miscellaneous from 10.996% to 11.278% for 2006-2007.

1) Change in the present Value of Benefits	\$3,623,226
2) Increase in Actuarial Value of Assets	\$0
3) Change in the Unfunded Accrued Liability	\$2,359,163
4) Change in the Total Employer Rate	0.282%

Financial Considerations:

The amendment to the PERS contract implements a portion of the new labor contracts, specifically the elimination of sick leave payoff and the implementation of the conversion of sick leave to PERS service credit. The implementation of this portion of the contract will result in no additional cost to the City in FY06 as the cost of the conversion to service credit is offset by the elimination of sick leave payoff at the time of retirement. In FY07, the estimated PERS rate for Safety was 0.238% higher and .282% higher for Miscellaneous than the rate that was estimated prior to this amendment.

Environmental Considerations:

There are no applicable environmental concerns.

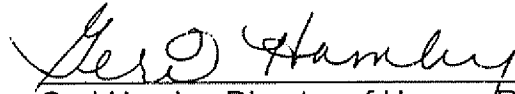

Policy Considerations:

This retirement enhancement is consistent with the City's Strategic Planning goal of recruiting and retaining a qualified diverse work force and the adoption of the Ordinance will be in compliance with the negotiated labor agreement and the personnel resolution.

Emerging Small Business Development (ESBD):

No goods or services are being purchased under this report.

Respectfully Submitted by:

Geri Hamby, Director of Human Resources
