Honorable Members in Session:

SUBJECT: Park Maintenance Parcel Tax Initiative Update

LOCATION: Citywide

RECOMMENDATION: Hear Update; Review and Comment

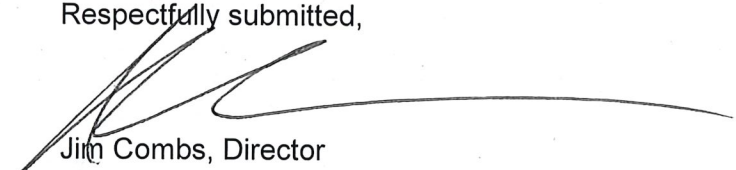

Contact Person: J.P. Tindell, Park Planning and Development Manager, 808-1955

FOR COMMISSION MEETING OF: March 1, 2012

In November 2011, the Parks and Recreation Commission recommended a public poll be conducted to ascertain the viability of a park maintenance parcel tax within the City limits. City staff followed up with the City Manager. As previously reported, the City Manager's Office is managing the polling project, and is broadening the scope to survey citizens about additional City services and public funding options.

The ad hoc committee did not meet this past month. There is nothing to report at this time. Staff will continue to engage the ad hoc committee in the process and keep the Parks and Recreation Commission informed on survey results and, once completed, potential next steps.

Respectfully submitted,

Jim Combs, Director
